

Infomind Ltd. Zurich - Terms and conditions

Infomind Ltd. is a Swiss company and has no tax obligation in EU countries. Electronic delivery of software to recipients in EU countries is therefore exempt from VAT.

Supplies and services to recipients in Switzerland are subject to VAT.

The here applied VAT rate is obtained from the country claim that you have made in your address data. For the accuracy of data entered you are responsible as a buyer yourself.

For wrong address information Infomind Ltd. reserves the right to claim the VAT payable or the currency difference before delivery of the licenses.

In addition the general terms and conditions of Infomind Ltd. apply: www.infomind.ch/agb.pdf
